PROPERTY DESCRIPTION

Wow this is a GREAT 4 Bedroom Floor Plan. Very popular 9 foot ceilings on the main level. Shows like a model - Move In Condition. Oversized garage with a pond across the street and no neighbors on the East side of the home. You can easily have an office on the main level or a super large office upstairs. Upstairs would also make a large Theatre area as well. Corner fireplace allows for many different furniture layouts. This home is beautiful inside and out! Make sure you view this home.

DIRECTIONS: Take Springmill Rd North to 169th St and turn West. Go to Kingsbridge Blvd (Entrance to Sonoma) and turn North, go to roundabout and then go West to first home on right - 1004 Burntwood Way.
